WOMAN'S REGISTRATION.

Mrs. Clark to Have General Charge in Andrain—These Are Stressful Times.

Mrs. C. F. Clark of Mexico has been appointed county chairman of the Women's Council of National Defense.

The most important feature of this committee is the registration of the women, which is to take place on July 28. The Government at Washington has asked that every woman of the country register for service. The registration is in the nature of a census, and registration blanks will be distributed in Missouri through the women's committee whose headquarters are in St. Louis.

The census of 1917 shows 18,000,000 women in Missouri, and the Council of National Defense expects all these women will register, and many more, as even children can serve in these stressful times. The conservation of food, Red Cross service, conservation of health and other departments are covered by the Council of National Defense.

A woman need not be in business to register. Home service, home economics, and the welfare of children count for as much in sound government as the public speaker or the woman in the vocational field.

To help finance the work of the Woman's Committee a voluntary registration fee, in any amount from one cent and up, will be asked with each registration.

BOY SCOUTS.

George Wagner and Wm. Johnson, Boy Scouts of Mexico, went down to Louisiana and were winners in two athletic events held in that city on The Fourth.

BE'S A PATRIOT.

Mr. and Mrs. Roy Barkley of near Rush Hill are receiving the congratulations of friends upon the arrival of a new son in their home on The Fourth. The young man is for his country, of course, and is ready for the Army or Navy right away.

MISS ELLEN STEPHENS.

The County Court last week appointed Miss Ellen Stephens as assistant County Recorder, J. Nisbet Livingston, resigned, to take work in St. Louis. Miss Stephens is qualified and is an industrious and faithful young woman.

Martin Myers is in Colo. Springs.

Miss Lella Dubray of near Laddonia who has been taking treatment at the Mexico Hospital was able to return home this week.

Brent Erisman of Benton City will operate a new Red River Special grain separator this season.

J. R. Smiley of near Santa Fe keeps all his fine farm in grass and thus keeps building up the soil. If he ships anything off the place it goes on four feet.

Andrain county will have the biggest oats yield this season in her history.

ILLINOIS COUPLE.

Judge W. W. Botts married an Illinois couple here last week, Mr. James H. Harwood and Miss Nora Holmes, both of Kellerville, Ill.

Charlie Tanner lost his store by fire at Skinner early Thursday morning. How the fire caught is not known. The stock was valued at about \$2,500. Only part of the loss covered by insurance.

We predict Charlie will be up and coming with a new building and new goods soon.

POWELL-DUTY NUPTIALS.

Mr. Charles Powell, one of this county's hustling young men, and Miss Goldie Duty, a loveable young woman, the daughter of Mr. and Mrs. Willis Duty, were united in marriage Thursday evening at the home of the officiating minister, Rev. O. O. Green.

Here's wishing Mr. and Mrs. Powell long life and happiness.

Miss Ruby Dillard of Laddonia has been visiting Mexico relatives.

W. E. Cunningham has bought a 480 acre farm near Laddonia.

CAN, CAN AND CAN IT'S ALL IMPORTANT.

Miss Pearson in Emergency Address Urges Mexico Women to Get Busy, Use Glass Jars.

Miss Linnie E. Pearson of the Agricultural College at Columbia held three fruit and vegetable canning demonstrations in the County last week. One at Pine School House, one at Bots on da third at the High School building in Mexico.

One of her pointed declarations was, "Can every available quart of vegetables and fruit; use only glass-our Government and the Allies need the tin but can everything you will need for next winter's consumption."

Miss Pearson recommends the cold pack method, which consists of blanching, dipping and sterilizing. It is practical, simple, effective for preserving fruits and vegetables.

At Miss Pearson's demonstration a large gathering of women witnessed the work. "All fruits and vegetables should be canned at home because, in time, our local dealers may not be able to furnish them. The Government may commandeer the tin cans. Indeed, the Government may take possession of all commercial canned goods," says Miss Pearson.

"To be prepared for the worst, we may expect that our railroads will be turned over for the shipment of provisions to our armies and the allies in European fields. That will mean we shall be unable to import products, even tho we have the price."

A canning club was organized at Pine, also at Bots. The country folk are preparing; the town people, too, better be getting into the game.

THE WOMEN PRAYING.

Our Boys at The Front Are Remembered by Their Mothers Back Home.

Along with their other lines of work the women of Mexico have become interested in the Community Prayer Services that are being held throughout the country. Such a prayer service was held at the Baptist church Thursday afternoon at four o'clock. Mrs. C. D. Rodgers gave the Bible lesson, "The Efficacy of Prayer" was her subject. The ladies' quartet of the Christian Church sang.

Miss Martha Sullinger gave an interesting talk. Told of Miss Jessie Sanderson, who formerly taught in the Mexico, public schools, desiring to find a young man who would go to the trenches as a missionary and she will finance him.

Earnest prayers were made for our boys who are training and those in active service.

It was decided to hold these services every Thursday at four o'clock. This week the meeting is to be held at the Methodist church. All ladies of the community are invited to be present.

Arthur Clark has sued for the possession of his four children sent from Mexico last winter to an orphanage in St. Louis. He will be expected to show that he is the proper person to have the custody of the children.
